Southeast Technical Institute

Southeast Technical Institute is the largest of South Dakota's four Technical Institutes. Located along Interstate 29 in Sioux Falls, SD, Southeast Tech provides career training to nearly 3,000 students each year. Southeast Tech offers over 50 different degree and diploma programs both on campus and online. Our job placement rate is normally more than 90% each year.

Admission Policy

Southeast Technical Institute admits students on the basis of an individual's interest, aptitude, previous experience and career objective. Southeast is open to those individuals, 16 years old or older, who meet the above requirements and can profit from the education.

Southeast Technical Institute reserves the right to guide educational selection to students on the basis of counseling, pre-tests, pre-enrollment interviews and past academic achievement.

Admission Procedure

Southeast requires all prospective students to:

- Submit a completed application form (available online).
- Submit a high school transcript, equivalency certificate and transcript from each post secondary institution attended.
- Submit aptitude and/or achievement test results where required.
