Mitchell Technical Institute

Founded in 1968, Mitchell Technical Institute is a public two-year technical college offering certificates, diplomas and Associate of Applied Science degrees in more than thirty programs. Located on Interstate 90, Mitchell is only a short distance from Sioux Falls and the Missouri River. The new 80-acre campus features four buildings equipped with the best in modern technology. Student housing is located adjacent to the campus and a variety of stores and restaurants are nearby.

Radiologic Technology

Online Programs

Administrative Office Specialist
Advanced Medical Imaging
Medical Office Professional
Small Business Management
Speech Language Pathology Assistant (TED)

Admission Policy

In order to be considered for admission to Mitchell Technical Institute, an applicant must complete the following requirements:

1. Submit an Application for Admission. The application form is available at most high school guidance offices, at the MTI campus and online on the MTI website.
2. Send an *official* copy of your academic records (high school transcript, college transcript or high school equivalency certificate). Your high school, the registrar of the last college you attended, or the testing center where you took the General Education Development test can provide copies of your academic records.
3. In order to be accepted into a full-time program of study, you must meet the required entrance examination scores or submit entrance examination test scores ie. ACT, SAT, ACCUPLACER, etc. All applicants must submit entrance examination scores or schedule an appointment to complete the entrance exam. Test scores from a 5-year period will be accepted.
4. Provide MTI with a photocopy of a birth certificate, driver's license, or other legal document to certify age and resident status.
5. Students in health sciences programs will be required to submit to a criminal background check. The cost is the responsibility of the student.
6. Pay a \$60 non-refundable matriculation fee.
7. After acceptance to a program:
 - A start date will be identified.
 - Students will register for courses.
8. Once a program is full, a tuition deposit of \$150 will be required of all students accepted to that program. This is a tuition deposit and will be applied to the student's tuition the first semester of classes. In the event a student opts not to attend, **the tuition deposit is non-refundable.**
