Admissions

Phone.....394-2414
Fax.....(605) 394-1979
E-Mail..... admissions@sdsmt.edu

Admissions.....394-2414
Molly Moore, Director.....394-5236
molly.moore@sdsmt.edu
Melissa Kolve, Campus Visit Coord. ...394-2414
melissa.kolve@sdsmt.edu
Genene Sigler, Application Processor 394-5209
genene.sigler@sdsmt.edu

Financial Aid..... 394-2274
David Martin, Director of Financial Aid
david.martin@sdsmt.edu
Erin Richards, Associate Director
erin.richards@sdsmt.edu

Registrar 394-2400
Special Needs..... 394-6988
Megan Reder-Schopp, Coordinator
megan.reder-schopp@sdsmt.edu

Career Planning/Placement 394-2667
Darrell Sawyer, Director
darrell.sawyer@sdsmt.edu

Athletics.....394-2351

Important Dates

Students must be admitted to the university and complete the scholarship application by **January 15** to be considered for scholarships.

College Codes

ACT Code:..... 3922
SAT Code: 6652
Financial Aid Code.....003470

South Dakota School of Mines

The South Dakota School of Mines has a proud heritage of preparing graduates to serve as leaders in engineering and science. At the School of Mines every student has the opportunity to participate in research and test classroom learning through hands-on experience. The university offers a total of 44 degree programs in engineering and science at the baccalaureate, masters, and doctoral levels. A public university with approximately 2,800 students, the School of Mines provides award-winning education, research and development in areas of critical need to our nation, and technology-based economic development to our region and state. The School of Mines is located in historic Rapid City, S.D. at the edge of the beautiful Black Hills.

Annual Costs

Tuition/Fees	\$ 10,400
<i>(Average based on 30 credits per year)</i>	
Books/Supplies* <i>(estimated)</i>	2,020
Room/Board	<u>7,720</u>
Total Estimated Cost	\$ 20,140

* Includes Tablet PC Program

Enrollment (Fall, 2016)

	Undergraduate	Graduate
Men.....	1,943	273
Women.....	<u>542</u>	<u>101</u>
Total.....	2,485	374

Student/Faculty Ratio15/1

Accreditation

Institutional accreditation through the Higher Learning Commissions of the North Central Association; Program Accreditation through the Engineering Accreditation Commission (EAC) and Computing Accreditation Commission (CAC) of ABET, Inc.; Program approval through the American Chemical Society

Athletic Conference

NCAA Division II—
Rocky Mountain athletic conference

Admission Policy

Students will be automatically accepted if they:

- Obtain an ACT composite score of 25 AND an ACT math subscore of 25 (or SAT-I equivalent score), AND
- Achieve a high school GPA of at least 2.75 on a 4.0 scale, OR
- Are South Dakota Regents Scholars

School of Mines will **review and consider for acceptance** students who meet SD Board of Regents requirements AND:

- Obtain an ACT composite score of at least 20 or SAT composite score of 940, AND
- Obtain an ACT math sub score of at least 20 or SAT math sub score of at least 480, AND
- Achieve a high school GPA of at least 2.75 on a 4.0 scale.

Programs Offered

Bachelor of Science Degrees

- Applied Biological Sciences
- Chemical Engineering
- Chemistry
- Civil Engineering
- Computer Engineering
- Computer Science
- Electrical Engineering
- Geological Engineering
- Geology
- Industrial Engineering & Engineering Management
- Interdisciplinary Sciences
 - Atmospheric Sciences
 - Pre-Professional Health Sciences
 - Science, Technology and Society
- Mathematics (Applied and Computational)
- Mechanical Engineering
- Metallurgical Engineering
- Mining Engineering & Management
- Physics

Associate of Arts Degree

- General Studies

Master of Science Degrees

- Atmospheric & Environmental Sciences
- Biomedical Engineering
- Chemical Engineering
- Civil & Environmental Engineering
- Computational Sciences & Robotics
- Construction Management
- Electrical Engineering
- Engineering Management
- Geology & Geological Engineering
- Materials Engineering and Science
- Mechanical Engineering
- Paleontology
- Physics

Doctor of Philosophy Degrees

- Atmospheric & Environmental Sciences
- Biomedical Engineering
- Civil & Environmental Engineering
- Chemical & Biological Engineering
- Geology & Geological Engineering

- Materials Engineering & Science
- Mechanical Engineering
- Nanoscience & Nanoengineering
- Physics

Pre-Professional Programs

Electives in curriculum provide the opportunity for students to pursue a pre-professional program at the School of Mines. Pre-Medicine, Pre-Dental, Pre-Veterinary and Pre-Law are a few of the pre-professional programs available.

Minors

- Applied Biological Services
- Atmospheric Sciences
- Chemistry
- Computer Science
- Environmental Engineering
- Geology
- Geospatial Technology
- Materials Science—Metals
- Mathematics
- Occupational Safety
- Physics
- Robotics
- Sustainability Engineering
